

Greetings seventh grade parents and welcome to the 2020/2021 School year. This is going to be an eventful year. As you know, we will start out virtually, every student has their Google Classrooms available on the student portal. When students log in to the district, the Classrooms will be available for them to join without the need for codes. Please join them. Also, help students get into the habit of checking the school district email, in addition to google classroom, this tool will help us get meeting codes and updates to students. This year, we will have two teams of teachers; the McHale/Lopez team, and the Witte/Razler team. Communication is going to be the key to making this year successful. We will need everyone to be in contact with their team, to help with that we are available through our district email and the bloomz app. The directions for using bloomz are attached below.

Contact/Supplies:

Mr. McHale math/science: a notebook and folder for each subject, pencils
jmchale@philasd.org

Mrs. Lopez literacy/social studies: a composition notebook for each subject, pens and pencils
melopez@philasd.org

Contact/Supplies:

Mr. Witte literacy/social studies: a composition notebook for each subject, pens and pencils
rwitte@philasd.org

Mr. Razler math/science: a notebook and folder for each subject, pencils
mrazler@philasd.org
