

6th Grade -- 2024-2025 Supply List

- Folders - One each for ELA, Social Studies, Science, and Math
- Marble Copybook for Science
- Marble Copybook for Writing
 - Decorate & write your name on the front of the copybook. (I used stickers on mine :) On the first page of the copybook, create an all about me page. Let me know who you are, what are your favorites, what are your pet peeves, what are your goals, etc. You can choose to represent this information in a way that works best for you, your personality, and your style of writing. For example, you can choose to create a writing piece made of paragraphs, you can create a word splash, you can use pictures and quotes, or any combination of the above. As long as the information lets me know about you, we are good :)
